YOUR SAFETY IS OUR BUSINESS

OUR PARTNERS:

CERTIFIED BY:

SERIMATIK

From the Managing Director's Office

SERIMATIK SDN BHD (SSB) is a great solution to ensure your beloved employee work safely. SSB is incorporated in Malaysia since 20th April 2004. SSB has changed accordance with the times where Malaysia change incrementally. Begin with service and maintenance for lifeboat, SSB has expand to also supply wide range of lifesaving equipment specifically in Oil & Gas and Marine industries. In year 2020, SSB started a business expansion to Agriculture which encompassing to Tourism, Commercial Farming and Livestock.

SSB proudly present in the Oil & Gas market as service partner for SafeTransfer & GEPA Service and capable to serve Asia market. Our product range is not only variety of lifeboat and personnel transfer basket model but also marine and life savings equipment. As for agriculture business, our objectives are to play as an essential role to accelerate economic growth and social development within local people in Negeri Sembilan.

Fundamentally, our success is commitment to people where quality, integrity and intelligence play a vital role as a platform to those associated with our company. Supported by the group wide experienced skilled and trained personnel, our engineer and technician is certified to do service and maintenance for lifeboat and personnel transfer basket for both onshore and offshore.

At SSB, we are committed to provide our client with cost effective, timely completion of project with excellent safety performances and delivering quality along the way.

CERTIFICATE OF Recognized External Specialist

This is to certify that

SERIMATIK SDN BHD

located at

11-1, Ukay Boulevard, Middle Ring Road 2, Ampang 68000, Selangor, Malaysia

having been audited by ABS and having given a satisfactory practical demonstration of the service listed below, is recognized by ABS as a Service Provider to provide services which ABS Surveyors may rely on to make decisions affecting classification or statutory surveys.

Servicing and Maintenance of Lifeboats, Launching Appliances, On-Load Release Gears and Davit-Launched Liferaft Release Hooks

It is the responsibility of the Service Provider to employ, train and qualify persons in the service provided. If the service requires approval from manufacturers, the service provider is responsible to maintain contact with the manufacturer and maintain any service manuals up to date. Where required by the category of service, specialists shall provide valid evidence that it is authorized or licensed by the equipment manufacturer to service the particular makes and models of equipment for which approval is sought. If approval from the manufacturer is not attained, a surveyor must be present at time of survey to continue work. Alternatively, current written instructions from the flag state are to be obtained to continue work without the surveyor present. Service technicians must present photo identification, evidence of qualification and authorizations from manufacturers, as applicable, at the time of service.

The ABS office issuing this certificate is to be kept updated with changes to the management of the company, its employees, equipment and models on the authorization list and any changes made.

See enclosed Appendix for details regarding authorized personnel, and/or manufacturer authorizations, and/or subcontractors, etc.
